

THE ANSWER™ OEO

POWERED BY
**CATALYTIC CARBON
& NAC TECHNOLOGY**

**STOP CHOOSING BRANDS.
START CHOOSING TECHNOLOGY.**

Upgrade technologies to catalytic carbon and NAC for superior water treatment.

ScaleX Pro ANSWER™ OEO is a premium 12" quick-change filter engineered with Catalytic Carbon and NAC (Nucleation Assisted Crystallization) Technology to deliver superior filtration, prevent scale, and remove existing scale—without chemicals or salt.

REDUCES CHLORINE & CHLORAMINES

Helps protect equipment and extends service life.

IMPROVES TASTE & ODOR

Delivers clean, better-tasting water for beverages and ice.

REDUCES PARTICULATES & TURBIDITY

Helps prevent clogging and wear on critical components.

PREVENTS NEW SCALE FORMATION

NAC technology helps prevent scale before it starts.

HELPS REDUCE EXISTING SCALE OVER TIME

Actively helps remove existing scale.

pH NEUTRAL

Will not alter the pH of your water.

QUICK-CHANGE REPLACEMENT

Simple, tool-free installation in minutes.

COMPATIBLE WITH MULTIPLE OEM SYSTEMS

One filter. Many platforms. Maximum flexibility.
